

# Hillingdon Narrowboats Association

Hillingdon Narrowboats Association (HNA) operates several community canal boats on the Grand Union Canal for use by local residents and community groups of all ages at a cost they can afford.

All of our boats and steerers are available for private hire. What better than a lazy day or evening cruising with friends or family along the Grand Union Canal to the beautiful village of Denham through the interesting landscapes of Colne Valley, which contains leafy woods, mills and lakes.

Bring your own food and drink for a relaxing day!

Everyone can enjoy a cruise and the fun of helping operate 72 feet long narrowboats along the canal and through some of the countries deepest locks. At HNA we like to combine that enjoyment with; practical learning about our canal boats, the abundant local wildlife and the history of this interesting Canal.

**SUMMER TRIPS** on the Grand Union Canal (duration - 1 hour) Starting 10:30am with regular pick-ups throughout the day.

Over 90% of our visitors are local residents that come from a wide variety of groups including: school groups, youth clubs and adventure playgroups, local businesses, organisations for people with learning difficulties, Scouts and Guides, psychiatric groups, groups from hostels for homeless people Care homes, and young offenders. Everyone in the community is welcome to call us.

Book with us now to enjoy a refreshing twist to your community event, corporate training, school outings or private party.

Our boats the canal and its locks are a great tool for teambuilding.

We also offer training at various levels from basic crew courses to nationally recognised qualifications.

Visit our web site on [hna.org.uk](http://hna.org.uk) and find out more about us, download our trifold leaflet for prices and details and a chance to win a day trip.
